

LAW No. 31312

THE PRESIDENT OF THE REPUBLIC;

WHEREAS:

THE CONGRESS OF THE REPUBLIC;

Has enacted the following Law:

LAW INCORPORATING AND AMENDING ARTICLES OF LAW 30681, THE LAW REGULATING THE MEDICINAL AND THERAPEUTIC USE OF CANNABIS AND ITS DERIVATIVES

Article 1. Incorporation of Articles 3-A and 8-A into Law 30681, the Law Regulating the Medicinal and Therapeutic Use of Cannabis and its Derivatives

Articles 3-A and 8-A are incorporated into Law 30681, the Law Regulating the Medicinal and Therapeutic Use of Cannabis and its Derivatives, with the following texts:

"Article 3-A. Definition of artisanal production with associative cultivation

For the purposes of this law, artisanal production with associative cultivation refers to the cultivation of cannabis and its processing to obtain medicinal cannabis, carried out by associations formed exclusively by patients registered in the Registry of Cannabis and Cannabis Derivatives Users for Medicinal and Therapeutic Use, or their designated supports or legal representatives, exclusively for the benefit of the qualified patients that make up these associations.

The associations may be composed of two or more patients or legal representatives registered in the Registry of Cannabis and Cannabis Derivatives Users for Medicinal and Therapeutic Use."

"Article 8-A. License for artisanal production with associative cultivation

To obtain the associative cultivation license, each member of the association or institution must be

registered in the Registry of Cannabis and Cannabis Derivatives Users for Medicinal and Therapeutic Use, under the jurisdiction of the Ministry of Health.

The license for artisanal production with associative cultivation authorizes the cultivation, processing, transportation, and storage of cannabis and its derivatives exclusively for medicinal and therapeutic purposes, for the license holders or those designated in it, in accordance with the requirements established by the Ministry of Health.

The Ministry of the Interior, through the Specialized Unit of the Anti-Drug Directorate of the Peruvian National Police, develops and approves the security protocol to ensure the physical integrity of cannabis and its derivatives for medicinal and therapeutic use, as well as the finished product."
